The NITAAC 1% processing fee (which is 1% of the obligated amount of the task order and/or modification) is required to be paid by external customers using the method specified in Chapter 5 of the IW2nd Task Order Guidelines. If the customer's modification requirement alters the scope, adds additional work or increases the period of performance or provides for major changes, the customer must request approval from the IW2nd Contracting Officer prior to the issuance of the modification.
